Subject: "Happiness Is A Choice."

Christ Michael:

"Father's Will, My beloveds, is always for your happiness. And if happiness is a choice, and you choose happiness, then His will is a choice, the only choice worthy of your expression.

"This is simplicity. You are walking in our Father's Will when you embrace the gift of every day with happy thoughts. This does not mean that there will be days without difficulties. But, every difficulty has its season, its beginning and its end.

"Choose to accept the sunshine of life always with its potential for some rainy days. Ah, a parable, and why not? We are gardeners in this paradise of your choosing, so simply accept the rainy days as necessary for the growing seasons.

"Plant well, these mental gardens that we daily cultivate, My brothers and sisters. Weed carefully. Diligently remove all the mental weeds of negative thinking. "Choose a happy day today. Choose to walk in our Father's Will, wholeheartedly, and in His Will alone." © The 11:11 Progress Group.
