Christ Michel:

"Forgiveness and unconditional love are the curriculum's lessons, My beloveds. Forgive all your brothers and sisters and forgive them quickly. Allow the weeds of un-forgiveness no place in the design of your mental gardens. Forgiveness is the choice that always aligns with Father's Will on earth.

"Bear no grudges, none whatsoever. Allow your minds the total freedom of unconditional love for one another, always. You can do this. While it is not always easy to love unconditionally, accept this learning process as possible and then this lesson is easily learned. Its "impossibility" is merely an incorrect thought process.

"You have learned conditional love as children. Your parents placed conditions on their love for you. Their love was conditioned on your behavior. You learned the same kind of love to be the only love you know. Thus, a habit was formed at an early age. Now it is a habit to be unlearned, and in just that understanding, the old habit becomes easy to lay aside.

"Father loves without conditions to His Perfect Love. Conditional love is not love at all, it is an oxymoron. It is not love nor could it ever be. Learn to love as Father would have you love and the curriculum's lessons will cease to be." © The 11:11 Progress Group.
